

University of Massachusetts Building Authority
Project #UMBA 08-W1
University of Massachusetts Medical School
Albert Sherman Center and Garage Project

ADDENDUM No. 1

Addendum No. 1 is being issued for information purposes only. Please be advised that any and all concepts reflected may change and/or be revised during design. Additionally, do not rely on the accuracy or completeness of the information provided.

Attached is a link to ARC's ftp site. You will find the following:

1. Existing Conditions Revit Model Files (LRB, UMMS, First Garage, Topography, Utility Tunnels)
2. Sketch-up Model 3-D Images of Scheme 1B and 2B
3. AutoCAD "In Progress Site Survey." You will note there are many elements that are not up to date such as ACCESS Building and associated tunnels.

ftp://ftp.arcusa.com/arc_umms_umwasc/PMA/OUT/2009-03-31%20CM%20RFP/

The process to access these files is as follows:

1. Copy locally to your server/desktop
2. Open the host file as a detached file (File - Open, check "Detach from central" box)
3. In the host file the links need to be re-pathed individually (File - Manage Links - click on the "Revit" tab - select a file to re-path and click "Reload From..." - then choose the associated file you copied from the ftp site) There are 5 linked files.
